

Website Planning Document

Website Name: Your Weather Monitor

Motto: We monitor so you don't have to!

Author: Kalin Organ, Student

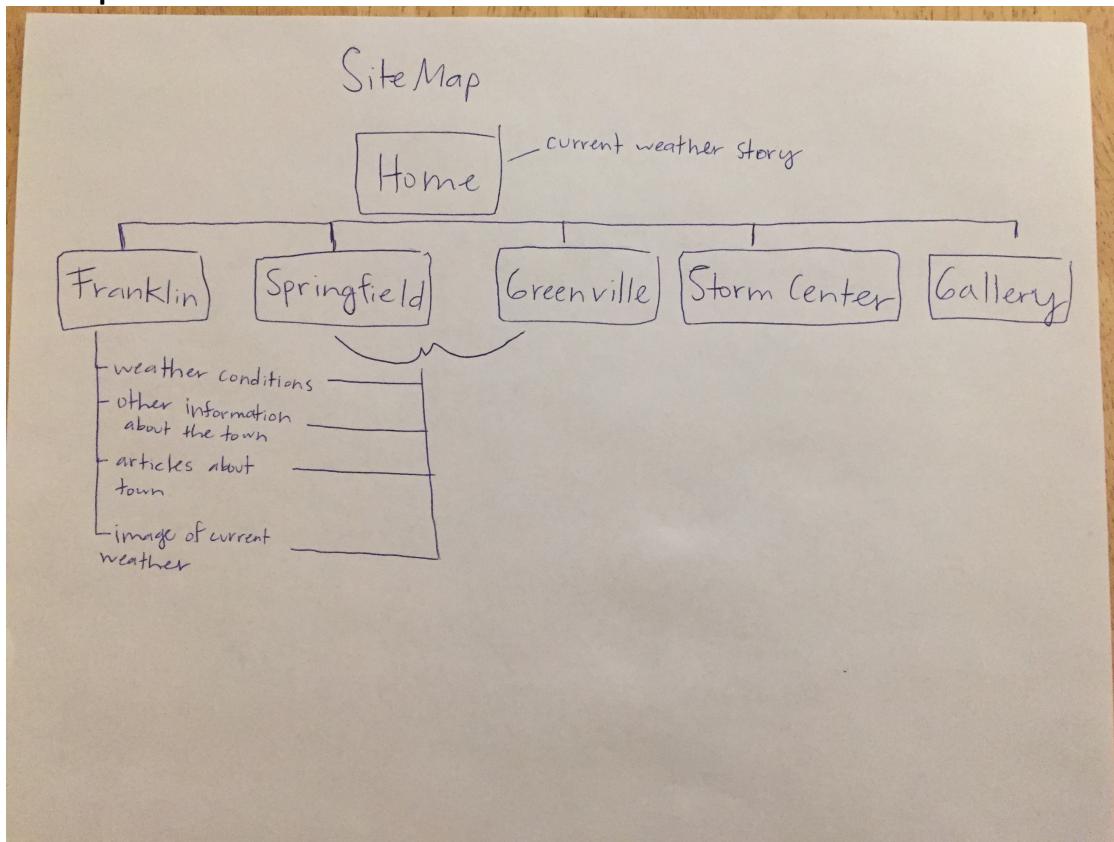

Website Purpose:

Your Weather Monitor provides accurate, up-to-date information on current weather conditions in various cities. The site will also provide its users with relevant information and articles regarding those same cities. This site will also inform its users on current weather stories and provide gallery of images for the user to view.

Target Audience:

The target audience for this site will be anyone who is interested in weather stories, resides in one of the three cities that is featured, or desires to visit one of the three cities that is featured. Photographers interested in weather photography may also visit the site.
